1 Plaintiff/Counter-Defendant NUMBER 14 B.V. (“Plaintiff” or “Counter-Defendant”) and
 2 Defendants/Counterclaimants ANALOG DEVICES, INC. and MAXIM INTEGRATED
 3 PRODUCTS, INC. (collectively, “Defendants” or “Counterclaimants”), by and through their
 4 respective attorneys of record, hereby stipulate and respectfully request that the Court modify the
 5 Discovery Letter Brief Order (ECF 114) to continue the deadline for Defendants’ document
 6 production from search terms by 18 days, from April 4, 2025 to April 22, 2025, pursuant to Civil
 7 Local Rules 6-1 and 6-2.

8 WHEREAS, pursuant to the Court’s Discovery Letter Brief Order (ECF 114) the deadline
 9 for Defendants to complete their document production from search terms is April 4, 2025.

10 WHEREAS, Defendants submit that good cause exists to extend this deadline to April 22,
 11 2025 as the parties only recently finalized the list of search terms that will be used for this
 12 document review and production after conferring pursuant to the Court’s Stipulated Order Re:
 13 Discovery of Electronically Stored Information for Standard Litigation. (ECF 88) Agreement on
 14 the parties’ current list was reached on Wednesday, March 26, 2025.¹ With the current agreed-
 15 upon list of search terms, there are over 34,000 documents that have search term hits, including
 16 over 75,000 documents within the families of those with search hits. Given the volume of
 17 documents involved, additional time is necessary to ensure proper review and production, and to
 18 prevent any undue delays in the process.

19 WHEREAS, extending the deadline for Defendants to complete their document
 20 production based on search terms from April 4, 2025, to April 22, 2025 will not affect the rest of
 21 the case schedule. The next scheduled event is the filing of a joint discovery status update by
 22 April 11, 2025. *See* ECF 114. Although Defendants will not have completed document
 23 production based on search terms by that date, the parties will be able to provide the Court with
 24 an update on the status of the remaining document production.

25 WHEREAS, the parties have not previously requested a modification of the Court’s
 26 deadline for Defendants to complete their document production based on search terms. Other time

27
 28 ¹ This agreement is subject to a reservation for further modification by Plaintiff. If the list of
 search terms and/or custodians is amended, Defendants believe additional time will be needed for
 review and production of the additional documents.

1 modifications unrelated to the Discovery Letter Brief Order include the following:

Date	Event Description	ECF Filing
May 28, 2024	The parties stipulated to an extension of time for Defendants to respond to Plaintiff's Complaint.	ECF 17
June 18, 2024	This Court granted an extension of time for Plaintiff to respond to Defendants' Administrative Motion to File Under Seal.	ECF 27
July 2, 2024	This Court granted an extension of time for Plaintiff to respond to Defendants' Answer to Plaintiff's Complaint with Affirmative Defenses and Counterclaims.	ECF 39

August 22, 2024	This Court granted an extension of time to Counter-Defendants to reply to Defendants' Opposition to Plaintiff and Counter-Defendants' Motion to Dismiss.	ECF 59

 18 terms by 18 days, from April 4, 2025, to April 22, 2025, in accordance with Civil Local Rules 6-1

**DECLARATION OF KEVIN W.
ISAACSON IN SUPPORT OF
STIPULATION RE: FIRST REQUEST
TO CONTINUE DEADLINE OF
DEFENDANTS' DOCUMENT
PRODUCTION FROM SEARCH
TERMS**

1 I, Kevin W. Isaacson, declare as follows:

2 1. I am an attorney admitted to practice before the courts of the State of California. I
3 am a partner with the law firm of Ropers Majeski PC (“Ropers”), counsel of record for
4 Defendants/Counterclaimants ANALOG DEVICES, INC. and MAXIM INTEGRATED
5 PRODUCTS INC. (collectively, “Defendants” or “Counterclaimants) in the above-captioned
6 matter. I have personal knowledge of the facts set forth herein, and if called as a witness, could
7 and would testify competently hereto.

8 2. On February 11, 2025, the parties filed a Joint Discovery Letter Brief in
9 accordance with the Court’s Standing Order, addressing a dispute regarding Defendants’
10 document production in response to Plaintiff’s First and Second Requests for Production of
11 Documents, as well as compliance with discovery obligations under the ESI Order. ECF 104.

12 3. On March 6, 2025, the parties filed a status report regarding the Joint Discovery
13 Letter Brief at the Court’s request. ECF 113; *see* ECF 107. On the same day, the Court issued its
14 Order granting in part and denying in part the Joint Discovery Letter Brief. ECF 114.

15 4. Pursuant to the Discovery Letter Brief Order (ECF 114), the deadline for
16 Defendants to complete document production based on search terms is April 4, 2025.

17 5. The parties have stipulated to an extension of the deadline for Defendants to
18 complete document production based on search terms from April 4, 2025, to April 22, 2025.

19 6. Defendants submit good cause exists as the parties only recently finalized the list
20 of search terms that will be used for this document review and production after conferring
21 pursuant to the Court’s Stipulated Order Re: Discovery of Electronically Stored Information for
22 Standard Litigation. ECF 88.

23 7. The parties agreed on the current list of search terms on Wednesday, March 26,
24 2025. This agreement is subject to the reservation for further modification by Plaintiff. If the list
25 of search terms and/or custodians is amended, additional time will be needed for review and
26 production of the additional documents.

27 8. Based on the current agreed-upon list of search terms, there are over 34,000
28 documents that have search term hits and over 75,000 documents with families of those with

1 search hits. Given the volume of documents involved, additional time is necessary to ensure
2 proper review and production.

3 9. Extending the deadline for Defendants to complete their document production
4 based on search terms from April 4, 2025, to April 22, 2025 does not impact the rest of the
5 schedule of the case.

6 10. The next scheduled event is the filing of a joint discovery status update by
7 April 11, 2025. *See* ECF 114. The parties will still be able to provide the Court with an update on
8 the status of the remaining document production.

9 11. The parties have not previously requested a modification of the Court's deadline
10 for Defendants to complete their document production based on search terms.

11 12. Previously and unrelated to this stipulation and the Court's Joint Discovery Letter
12 Order, including the deadline for Defendants to complete their document production based on
13 search terms, other time modifications include the following:

- 14 a. On May 28, 2024, the parties stipulated to an extension of time for Defendants to
15 respond to Plaintiff's Complaint (ECF 17);
- 16 b. On June 18, 2024, the Court granted an extension of time for Plaintiff to respond
17 to Defendants' Administrative Motion to File Under Seal (ECF 27);
- 18 c. On July 2, 2024, the Court granted an extension of time for Plaintiff to respond to
19 Defendants' Answer to Plaintiff's Complaint with Affirmative Defenses and
20 Counterclaims (ECF 39);
- 21 d. On August 2, 2024, the Court granted an extension of time for
22 Defendants/Counterclaimants to file their response to Plaintiff's Motion to
23 Dismiss (ECF 49);
- 24 e. On August 22, 2024, the Court granted an extension of time to Counter-
25 Defendants to reply to Defendants' Opposition to Plaintiff and Counter-
26 Defendants' Motion to Dismiss (ECF 59);
- 27 f. On December 19, 2024 the Court continued the deadline to amend pleadings or
28 add parties (without leave of court) (ECF 85), and further amended this deadline

1 on March 31, 2025 in its Order regarding Plaintiff and Counter-Defendants'
2 Motion to Dismiss (ECF 118).

3 I declare under penalty of perjury under the laws of the United States of America that the
4 foregoing is true and correct.

5 Executed this 3rd day of April, 2025 at San Jose, California.
